FINANCIAL POLICY

Thank you for choosing Aesthetic Dentistry. Our primary mission is to deliver the best and most comprehensive care available. An important part of the mission is making the cost of optimal care as easy and manageable for our patients as possible by offering several payment options.

You can choose from:

- Cash, Check or MasterCard, Visa, American Express, Discover

We offer a 5% courtesy accounting discount to patients who prepay for their treatment with cash prior to their scheduled appointment.

- Conveniently Monthly Payment Options from Care Credit's Healthcare Credit Card

This card allows you to pay monthly with no annual fees or prepayment penalties.

All crowns created by Aesthetic Dentistry will be guaranteed for 5 years provided you come in two times a year for regular hygiene and dental/oral cancer screening.

All copays and deductibles must be paid in full at time of visit. Our doctors diagnose and treat each patient the same, regardless of insurance coverage. We don't allow insurance companies to dictate our treatment plans. If you have insurance, we are happy to provide an **estimate** of their portion. **We cannot guarantee any insurance payment.** Your insurance is your responsibility and we are happy to submit any claims for you, however with the constant change of insurance benefits it is impossible to know exactly what would be covered. If your insurance company does not pay their portion within 30 days you are responsible for payment of your treatment and collection of your benefits directly from your insurance carrier.

Aesthetic Dentistry requires 48 hour notice for canceled appointments. Many patients wait a long time for their visits to Aesthetic Dentistry and last minute cancelations are unfair to them. We will charge a fee of \$50.00 for failed appointments and a \$50.00 fee for returned checks.
